A BLOW COURTESY OF THE B.L.O.W. GIRLS

Dear *Voluptuous*,

First let me say that I have been buying your magazine for years and just recently became a subscriber. I am 26 years old and love the "bigger" women in your magazine.

Most guys give me crap when they find out the types of girls that turn me on. I say it's too bad for them. My fiancé is a "bigger" woman at 5'5" and 168 pounds, and I love every inch of her.

Anyway, I just wanted to say that the March '05 *Voluptuous* is one of the best I can remember! I can't believe how sexy

Yes, the *Busty Ladies of Oil Wrestling* (Angela White, Brandy Talore, Cherry Brady and Annie Swanson) are udderly amazing. Though, looking at all of them lined-up from their March '05 pictorial, what's truly amazing are Brandy's nips. Was it freezing in our studio or was she just excited to be there? If you've seen the *B.L.O.W.* video, you know, it's smokin' hot, so Brandy's nips were popping due to 100%, all natural adrenaline!

Susie Wilden's new look is. She is so incredibly hot.

And the *B.L.O.W.* girls are absolutely amazing! Brandy Talore and Annie Swanson are two of the most beautiful girls I have ever seen in *Voluptuous*.

And, it's not just me thinking that. My fiancé couldn't get over how beautiful the *B.L.O.W.* girls are.

When I came home from work, she was looking at them, and then she met me in the kitchen with the magazine. She was so turned on that she got on her knees, took my pants down and sucked my cock like crazy. It only last-

ed about three minutes at the most before I blew my load, but it was amazing! That is why we love *Voluptuous* and will continue to subscribe to your magazine. -J.R. and M.C., Wisconsin

ABSOLUTELY DISGUSTING

Dear *Voluptuous*,

Your magazine is a one-of-a-kind beacon call to those of us who don't like the typical, American, "Barbie"-skinny girls with purchased breasts. Thanks for cornering the market with curvy, 100% real ladies.

The next part of my letter is more of

Talk about a love/hate scenario. Every time we run pregger photos like Denise Davies at nine months pregnant (March '05 *V-Mag*), half of you love 'em and the other half are repulsed.

a request and one I hope you guys take seriously, as I was about to start subscribing to *Voluptuous*, especially since I've been an avid reader since 1999. Please, leave the pregnant women and milk-squirting pictorials to the other "fetish" magazines.

Putting Denise Davies nine months pregnant in the March '05 issue was absolutely disgusting. I have never had to tear pages out of a *Voluptuous* magazine due to poor taste until now.

Please, I ask you to continue showcasing the curvy, plump and beautiful women, repeat models or not, that have made *Voluptuous* the best magazine out there and stop putting stretched out, deformed looking pregnant females in our magazine.—E.V., Louisiana

EARTH'S CUTEST FEET

Dear *Voluptuous*,

First, thank you for producing a first-class magazine. Every time I think *Voluptuous* can't possibly get any better, the next issue shows up and proves me dead wrong.

There's not enough room here to list all of my favorites, but I would like to mention Christina (Aug. '04), Amanda (July '04), Anna (Dec. '04) and especially Claire from March '05, who is as perfect a woman as I have ever seen.

I really like to see the girls without anything covering their bellies. Extra padding in this area is very sexy.

Finally, please remove the model's shoes whenever possible! I thought some of the readers' letters on the subject that have been published in the V-Mail had convinced you, but I guess not. All you have to do is take a look at Kelly Kay's feet to see why you should show them. She gets my vote for cutest feet on the planet, though I'd bet some of the other *Voluptuous* girls could give Kelly a run for the money if we could just see their feet. Please don't hide this very sexy female body part any longer.—J.S., Colorado

A FOND FAREWELL FOR VIA

Dear *Voluptuous*,

Being a long time Via Paxton fan, any excitement I had seeing her face on the cover of the Feb. '05 *Voluptuous* was shot all to hell when I saw the word "Farewell" and continued to read the article that accompanied her pictures.

The photos were excellent, as usual (all due credit to the photographer and especially to the subject), but saying

Does Kelly Kay have the cutest feet in the world? To be quite honest, with Kelly's incredible boobage, we've never really looked at her feet. Now that we have, yeah, they're okay, if you're into toes and soles, which it seems several readers are. And, because your letters have become more prevalent, yes, we'll do our best to present an equal mixture of bare feet and bitchin' shoes in future *Voluptuous* pictorials.

"Bye" to Via is just hard to swallow, so to speak. Granted there are many first class models who have, do and will grace the pages of your publications, but having kept up with Via since she

first appeared in the Sept. '99 *Voluptuous*, she will be sorely missed and I doubt ever replaced.

Whoever the lucky man is who is going to help her deal with the issue of her "biological clock" and father her children, I gotta say that you are the luckiest man in the world.

Finally, I'd like to wish Via all the success in being a mother and all of the future happiness that I'm positive will be hers. Guys being guys, some will most assuredly complain about why she has to retire.

However, after all Via Paxton has done for us V-men over the past six years, she certainly deserves to do whatever it is that makes her happy and retire with as much praise and appreciation as we can heap on her.—D.H., North Carolina

When V-men debate who the perfect model is, one name that always comes up is Via Paxton, shown here in her very first, Sept. '99, *Voluptuous* pictorial. Via's final pictorial appeared in the March '05 issue, and, as sad as it is to say, there won't be any more.

NO MORE XXX HARDCORE IN V-MAG

Dear *Voluptuous*,

I must say that I'm getting very disturbed at what seems to be a double standard in your magazines lately.

The issue involves a few of your more bigoted readers wanting "no interracial hardcore" when what they really mean is no black men with white women—unless the women are over 200 pounds. I have yet to

read about outrage over the black women with white men layouts. This is an ignorant minority of your readers that you must not cater to.

As a black male reader, I'm shocked to find this kind of crap in my other-wise favorite magazine. So, if a model chooses to do her XXX layout with a black stud, just go ahead and print it like any other. What does it matter?

On that note, I personally can do without hardcore altogether, and though you say the XXX section is removable, I find myself inundated with images of models with cock in their mouths all over the magazine. Please either get rid of the hardcore in the magazine altogether, or try to keep all of that in the *Voluptuous Xtra* section where it belongs so that those of us who don't want to see all of those cocks won't have to suffer through them.

Please print this "other hand" viewpoint because I have not seen it represented yet. Otherwise, keep up the good work. The models are getting hotter than ever!—L.F., Illinois

Editor's Note: Our editorial philosophy has always been never to cater to racism or bigotry. We have not in the past nor will we ever do so in the future. As for the *Voluptuous Xtra* section and the hardcore throughout the magazine, many of you have probably noticed that it has been missing from the U.S. edition as of the April '05 issue, though we have to say that we have received few letters even mentioning its absence and most of those letters commenting on the absence of *Voluptuous Xtra* were positive. Why is *Voluptuous Xtra* no more? America voted Republican. When the current conservative culture changes, we will revisit the XXX-rated hardcore. ①

BEA FLORA

Introducing the next great hottie!

From the new babenetic and fertile big-boob breeding ground of Poland, here comes a bosom buddy of Ines Cudna, proving once again that big tits are an international phenomenon. This lady's name is Bea Flora, and just like Ines, Bea is young, beautiful and stacked. What else do you need to know?

Though she is an international super-model and has the look that she wouldn't give most guys the time, much less the day, Bea is actually a very down-to-earth gal. She's not into wild sex games, high falutin' nights out or over-priced vacations in the south of France. You give Bea a nice, quiet dinner with friends, perhaps a romantic comedy and she's a happy girl. As for working, Bea has been modeling in Poland for a couple of years now, mostly on some international websites, and now she is ready to show off for the western world. Our sister magazine, *SCORE*, beat us to debuting Bea in North America with their June 2005 issue (it's still on newsstands if you need a double dose), which is cool. With her near-simultaneous *Voluptuous* debut, big-tit lovers now get to see two hot layouts of Bea, instead of just one. With a babe this beautiful, we only wish we published a third big-boob magazine to showcase her in.

Packing perfectly shaped double F-cup boobs, with a classically curvaceous body, Bea is an “old-school” model. Ask her who the best nude models of all-time are, and she comes up with legends like June Palmer and Marilyn Monroe. Like models of the past, Bea believes posing is all about glamour and fantasy, for her and us. “Most definitely, it’s all about fantasies. I fantasize when I am posing, and men do the same when they are looking at my pictures. I think it’s sexier and more erotic to leave something to the imagination, to leave some intimacy for your fantasy.” So, how are your fantasies going right about now? Yeah, ours, too. Thanks for making all of our fantasies cum true.

KRISTYNA

Hungary for hooters? This Bucharest school teacher is makin' the grade!

This month's tour of Eastern Europe's big-tit breeding grounds continues. From Poland and Bea Flora (page 11), we're now coming to you from Hungary for a lesson in *Voluptuousness* with our favorite Bucharest school teacher, Kristyna, who debuted in the Aug. '04 issue and is back for some xtra credit. Are all of your pencils sharpened and loaded with lead? Then, let's all go back to school!

BARE FACTS **KRISTYNA**

Age: 23 Birthday: Oct. 28, 1981 Height: 5'10"

Weight: 174 lbs. Measurements: 48-30-46 Bra Size: 42E Born and Lives: Bucharest, Hungary

Occupation: Grade school teacher Previous *Voluptuous* appearance: Aug. '04

As you can see, Kristyna isn't like other teachers. Or is she? "You'd be surprised," this 5'10", 174 lb. Amazon told us. "You get five or six teachers talking in a pub, and you find out that teachers love sex just like everybody else. If you were to see me in school, you'd never think I would ever do this. But, now you know I have a naughty side. I'm not the only one." But, Kristyna, you're the only Hungarian school teacher to pose? "I think I'm the only Hungarian anybody to pose, aren't I? I don't know why that is. I see women all over Budapest just like me. I even have a friend who teaches at the same school as I do, and she is a lot prettier than me. I even showed her the magazine from last time (Aug. '04). At first, she was shocked, but she couldn't stop looking. I tried to get her to pose, but she said her husband would kill her. I told her he just might like it. I'll keep trying." You go, girl!

Voluptuous Video Review

With an all-star cast of *Voluptuous* mega-stars like Brandy Talore (above) and Marketa (below), the latest (and perhaps greatest) installment of the best-selling *Voluptuous Xtra* video series, *Volume #10*, isn't just great models having sex. It's *great* models having *great* sex. Watch for all-American girl-next-door Brandy tackling that huge cock and loving every inch in her second hardcore video. It's a sight to behold. This is Marketa's third video, and we've discovered something about the Czech beauty—she loves to fuck on video. Her passion shows, especially on *Voluptuous Xtra #10*.

Review By CURLY REDWOOD

Starring some of the top big-titted vixens in the all natural world of Big-Tit-Dom, the new XXX video *Voluptuous Xtra #10* is big-boob hardcore at its finest and raunchiest. The only problem with *Voluptuous Xtra #10* is choosing a favorite fuck-star. Your trusty, crusty video reviewer gave it many shots without being able to choose, but it sure was fun trying.

ANGELICA RAVEN

It's obvious that Angelica is not the best of employees. Her attitude stinks, she's late all the time and she just doesn't accomplish much during the day. When she gets called into the big dog's office, she knows what's coming. Her boss doesn't know it's him.

He goes on about what a poor employee she is and then drops the bomb on her, telling Angelica she's fired. It is kind of funny, though, that as he is complaining about how she "does nothing around here," his feet are propped up on the desk. No, not his \$800 Bally loafers, his BARE FEET, which don't seem to match his slacks, shirt and tie.

Angelica grabs him by his tie and pulls him into her bountiful cleavage, asking him if he's sure he wants to let

What separates *Voluptuous Xtra* videos from the rest of the pack? Most videos have one headliner, perhaps two. In *Voluptuous Xtra #10*, every girl has star power. Not only do you get Brandy and Marketa, but Veronika (above, right) delivers a hard-hitting, horny encore fuck to her *Busty Euro Maids XXX* debut. And, nothing against the other three girls on these two pages, but if *Voluptuous Xtra #10* has a “best of the best,” it’s gotta be Angelica Raven (above, left). Super-model beautiful and incredible raunchy, Angelica is one of the best fucks we’ve ever seen on video and we’ve watched thousands. Her all-out, orgasm-driven performance on *Voluptuous Xtra #10* is proof positive.

her go. He asks her for one reason why he should not fire her, and Angelica, in a cliché we never tire of seeing, offers to give him two as she unbuttons her vest.

The boss buries his face in Angelica’s cleavage and then helps her off with her vest, top and bra. They each take one of her nipples to

lick and suckle—this is called working together—and the boss admits to a vision problem when he tells Angelica that he had no idea of the rack she possessed when he hired her.

This boss definitely isn’t the smartest guy in the world. He tells Angelica that if she wants to keep her job, she’ll have to suck his cock. Then

he tells her that if his wife ever found out that he would be in big trouble. By the time Angelica is done, she could own the company through a sexual harassment suit, and the boss would be paying his wife a shitload of alimony. He actually says “Love thy boss’ cock” while Angelica gives him a very

BREAST FRIENDS

Can two people just be friends when one has big tits and the other wants to play with them? *Yeah, right!*

Erotic Fiction By RALPH GRECO, JR.

"Stu, Jesus!" Lisa shouted, sitting back hard in her chair. Caught again, I reasoned, although 'caught' would imply I was doing something my best friend shouldn't have expected. Lisa knew any chance that came my way I'd always be staring at her big tits.

"Lisa!" I said imitating her and still staring at her chest.

"Stu, are we gonna go over this shit or are you gonna just stare at my tits all night?"

I think I'm gonna stare at your tits all night, I thought, but turned back to the computer screen and the web page we were surfing.

The truth was, Lisa had dressed tonight in her buttoned-down men's shirt—well buttoned down, I might add—and white 'wife-beater' under it all because she liked my staring. The curly-haired girl knew how I lusted after her big chest, how I remarked over her tits when she wore her one-pieces around the pool, how I'd ogle her across a crowded room. That she was my best friend didn't really stop my lusting, didn't stop my sneaking a peak when I could, and it damn well didn't stop Lisa from teasing me.

"Am I gonna have to wear a burlap sack around you?" she asked, settling in again next to me.

From what I had spied, Lisa's nipples were already poking out from under the T-shirt, and it wasn't cold in my

upstairs office/bedroom. At 22, Lisa's breasts were still plenty firm, a fact I was constantly reminded of when I studied them, so as usual she hadn't worn a bra. She was using this technique of wearing a tight T-shirt under a larger shirt...as if anything could really hold back Lisa's 36 double D's!

"Stu, I just think you're obsessed with breasts," she said.

"You know I am!" I replied, staring at the computer screen. "But, you know what, Lisa? I think you know it, and I think you like teasing me."

"Wishful thinking, Stu," she said, her eyes on the site I was scrolling down.

"Lisa, please!" I said turning from the screen again. This time I reached over and spread her shirt open.

There really was just so much I was going to take.

"Come on," I spat to her chest. "How

could I not stare? You're fucking shoving them in my face!"

I thought maybe I had gone too far. Seconds passed as she and I turned to one another in silence. Then Lisa stood up and smiled down at me. She undid the two buttoned buttons and flung off her father's button-down. Standing over me, being as bold as I was being—maybe even more so—the girl with the high cheekbones and button-nose put her hands on her hips and shoved her tits right at me.

"Get a good look," she said. Her hard nipples were really poking through the ribbed material now. My voluptuous friend had to know I wanted more then a look.

I just sat there looking up. That impossible shelf that was my best friend's heavy firm tits lay between us, and I gazed up at them trying hard not

to lick my lips. There seemed to be an unspoken accord being reached right then. I could feel it in the air as much as I could the sexual tension.

Were Lisa and I actually ready to jump this last hurdle?

I breathed deep, steeled my nerve and without a word reached up gingerly. Placing my right hand over Lisa's right tit and my left hand over her left, I touched her, waiting for the girl to step back or slap me. But she just kept right on smiling, as if expecting every move I was making. I wiggled my chair closer, and Lisa simply stood where she was and let me take hold of her.

"Mmmm," she said as I rubbed my thumb and middle fingers together, sifting her nipples through the ribbed material of the T-shirt. Coaxing each one, I held her tight, pulling the girl slightly to me as I spread my legs, and Lisa walked into my crotch.

"Mmmm," she repeated, rubbing her knee against my thickening erection. I quickly released her nipples and lowered my hands to help her lift her shirt.

"No, no, no," the girl over me cooed, still standing exactly where she was, rubbing her knee in my crotch, her nipples even harder now, her smile even wider under her high cheekbones. "Not yet, Stu, not yet."

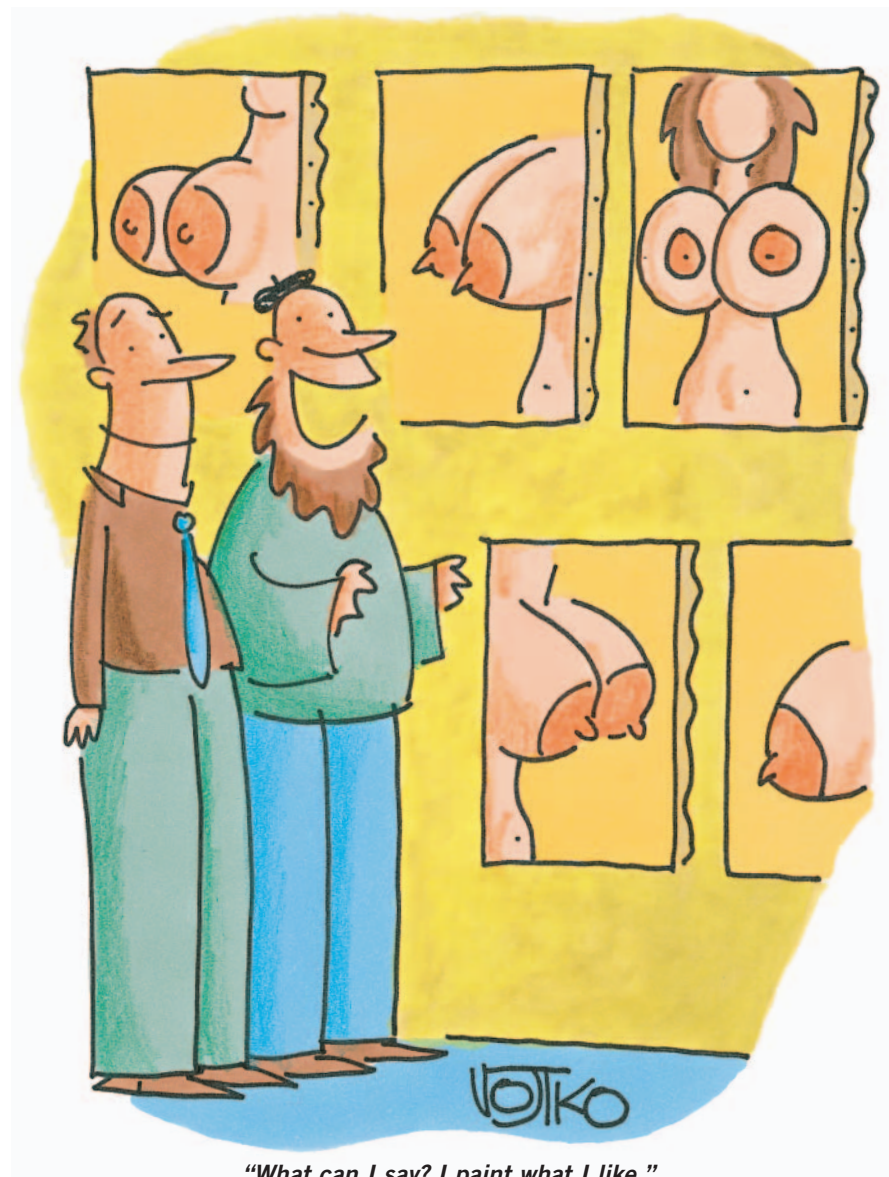

Okay, I could play along. I just put one hand under each boob, lifting and circling as I moved my hands out and around Lisa's big chest, over her shirt.

"God, these are big," I said aloud as I handled her tits, pushing at them slightly. God knew if I'd ever get this opportunity again, so I spread my fingers and cupped each big tit in hand. For her part, Lisa puckered her thin lips and rocked slowly back on her heels, eyes closed, head swaying.

"Mmmm," she managed.

I was aware of how much of this girl I had before me, not just her tits, and I wanted to see, feel and taste all of her. I didn't know how much Lisa would allow. I was nervous she'd step back and off me any second, but I wasn't about to waste this moment. Maybe it was because we were so close, but at the same time had never been this close. Maybe it was the sticky spring night. Maybe because we had both worked so hard for so many years and were now feeling the end of college a real possibility (and fearing our futures). Maybe because neither of us

WOW NIKKI

**Two years after her debut,
she's still wow-ing us!**

The words you're looking for are...actually, you only need one...**WOW!** Nikki is her name, "Wow!" is what everybody says about her, so much so that it's now part of her name. Hey, it's not braggin' if it's true, and with Wow Nikki, it may actually be an understatement. Not only does she have a website where she talks dirty and plays dirtier, but Nikki loves to leave a paper trail of her sexcapades for all to see. "Wow!" you say. No, "Wow Nikki!"

Now, that's a brown-eye. And, for those of you who think Nikki may be all show and no tell, you don't know Nikki. "The only thing that feels better than a big, hard cock deep in my ass is a big, hard cock all the way down my throat!" says this mature (and proud of it) 40-year-old, who runs weekly video chats on her Internet paysite, www.WowNikki.com. "I love everything about sex. Fucking. Tit-fucking. Oral. Anal. And I love doing it hotter and hornier than girls half my age. Young girls are so like, 'Yuck, that's gross!' Me, you can call me a cum-crazed cocksucker and splatter it all over my face. I'll smile, lick up every drop and ask for more! Now, who you gonna wanna fuck?" A rhetorical question if we've ever heard one.

We last saw Nikki in the April '03 *Voluptuous* doing some raunchy anal bead action. Now, it's just one chick-stick. But, don't start thinking Nikki has gotten all conservative in her middle age. "Hey, if you had given me the anal beads, I'd be popping them out of my ass right now. I'm game for just about anything when it comes to anal." Wow! Something tells us it won't be two years before we see Wow Nikki again!

had had a significant other in ages. Maybe because we had never truly been as alone as we were right then. Or, maybe it was that we were just so fucking horny for each other! Whatever the reason, I let go of Lisa for a second, pushed my chair back and lifted my T-shirt over my head.

"How about...?" I began and went to my zipper next.

Hoping I would prompt Lisa to do the same. She stepped back and bent to remove her sneakers. While I fumbled with my zipper, Lisa peeled her jeans down her meaty thighs, and by the time I was wiggling in my briefs, Lisa was standing and facing me in a sexy

blue thong. She looked delicious there in only her undies, her turgid nipples poking out at me even harder through the shirt, the heavy curve of each meaty breast apparent as her breathing got heavier and deeper.

"You wanna go further?" I sighed, literally panting as I sat there with my underwear tenting and Lisa only an arm's reach away. I ached to see those tits bare, even more than I wanted to see her pussy...and I wanted to see her pussy bad!

"So, is that for me?" she asked, and to my delight, shock and surprise, Lisa stepped towards me again, reached down and grabbed my hard cock through my underwear!

"Shit, Lisa," I squealed as the girl stroked me lightly.

I was looking at all of her, but at the

same time I was trying to desperately keep an eye on her breasts. She was right; I was obsessed. Here I had a willing, attractive girl, her thick tan legs brushing mine, her hand on my cock, her head slightly bent in concentration and all I was thinking about was trying to see around her arms to those beautifully heavy tits!

"Lee, Lee..." I panted as she stroked my rock-hard cock through my underwear, all the way up then all the way down. "Let me...Let me see them." I knew I could easily—very easily, actually—shoot my load right in my pants if she kept this up.

"Only if you cum all over them," she said and looked up from where she was, her mouth so dangerously, erotically close to my cock.

ANGELA WHITE

Cumming of age and now licking pussy!

What can we tell you about the big-boobed Wonder from Down Under that hasn't already been written? She's young, horny, has never met a sex toy she didn't get off on, sports G-cup boobs and an ass that just begs for attention. Anything new to report on this incredi-teen? Well, Angela's 20 now, and we just watched her making Brandy Talore cum.

From her full boobs to her juicy pussy (which always seems to be lubed with just the right amount of what Angela calls her "fuck me-juice"), to that perfect winkie, Angela White has the *Voluptuous* poster-girl body. But, it's attitude that separates Angela from other girls. If we've said it once, we can never say it enough—there isn't a hornier girl alive. And, now Angela can add lezzie loving to her already impressive resume. Her first piece of T&A was Brandy on *Bosom Buddies* #6. If you've seen the video, you know, Angela is a pussy fiend. If you haven't seen *BB* #6, do yourself a favor and head on over to the Video Club on page 98. You can thank us later.

Pick a door, any door, Angela White doesn't discriminate. "Anal, oral, straight sex...You can fuck my belly button and cum all over my toes if you want, it doesn't matter to me!" says the unabashed Aussie, who now has an official title to go along with her unofficial one of Horniest Teen Ever. That would be the first-ever Busty Ladies of Oil Wrestling Champion, besting Cherry Brady, Brandy Talore and Annie Swanson. "I kicked their asses!" Angela told us, even though she would have rather been licking them! "That's okay. I got to make Brandy cum all over my face, so I'm happy! Maybe next time I'll get all of those B.L.O.W. girls!" Like we said earlier, you gotta love Angela's attitude...it makes all the difference.

"Leee...." I cried as I started to convulse with pleasure.

"Take it out," she demanded, stood back from me and slowly, too fucking slowly, rolled her shirt up her belly.

"Close your eyes until I say you can open them, okay?"

What the fuck was she playing at now? This was too much. There was no way I ...

"Come on, Stu," she said.

Lisa had stopped rolling her T-shirt to right under her tits. I could see the very bottom of each breast against her tan body, her indented belly nice and smooth, her arms poised there as she told me what she wanted.

"You don't get to see them until you are just about to cum on them."

"Leee!" I said, but was even then pulling my underwear down.

"You can peek. I know that," she said, smiling so salaciously. "But we both know you'll like it better if you

don't look until I tell you to."

Okay, so she was right. I got my underwear down my legs, looked at the popping erection in my lap, made sure Lisa looked over at it, and when she smiled and nodded her head, I did, indeed, submit to her order and close my fucking eyes!

"Ready?" she asked as I squeezed my lids tight, counted 10 seconds and then felt Lisa brushing her T-shirt across my face! Yes, I did think of opening my eyes then, but the satisfaction of seeing her beautiful tits in all of their naked glory for the first time when I came all over them started to take hold of me. Maybe Lisa was onto something.

The next thing I realized was that Lisa was on her knees. I don't know exactly how I sensed this, but I knew it before I even felt her tits on me. I sensed her scooting up to me, felt her warmth a second before she actually pushed her tits up around my cock! I had to shift a bit, as I am sure she did too, but when she had me tightly between her big boobs, I sighed, leaned back and gave Lisa my balls, too. The few times I had

been lucky enough to tit-fuck a girl were incredible. But, in all of my years, I had never felt tits as meaty as Lisa's or had my cock engulfed so luxuriously.

I found it was actually easy keeping my eyes closed, concentrating as I was on just the sensations I was feeling and not distracted by the sight.

"I want you to cum all over them, Stu," my best friend said from someplace far way. God, she felt so warm, two thick mounds of cleavage holding my cock straight and firm. Just as I began to pump (what else could she be expecting I'd do?) Lisa moved away.

"Come on, Lisa!" I panted, but I felt the girl shift under me, and then I felt first one nipple, then the other, scratch across the head of my cock!

I have to admit, it was damn hard not opening my eyes then.

"Nice, a little pre-cum," she announced, as I imagined Lisa rubbing my wetness across one nipple, then the other! Those hard nubs I had seen so often pressing out of blouses and T-shirts were hard and rubbery to the touch, spongy even. And, now, instead of gazing at them from across a table and wondering what it would be like to touch them, here was Lisa pushing her nipples hard against the head of my cock, no doubt wetting those little hard cock massagers nicely.

"Remember, not until you cum," Lisa said, and once again she moved, and I was up and in between her cleavage again. With a bit more maneuvering she had my cock pushed up, completely vertical as she pushed all of her warm breasts against me again.

"Jesus, I am so wet, Stu," she said, and I felt her breath on the very tip of my cock as I imagined—hoped—she was pushing her tits together while looking down at my engorged cock.

"I want to...I want to touch you," I managed as I felt my balls pulsating, the main vein in my cock filling.

The warmth of this position was unbelievable. I was just about ready to cum. But, I wanted to give to this girl I loved as good as she was giving me. God knew I'd do mostly anything Lisa wanted to get her off, and maybe even some things she didn't want.

"Later, later," she stuttered. "Cum on me, it'll make me so wet!"

"Jesus, Lee," I said as I fucked her tits even harder.

I was all the way to the edge of the

KELLI

“The Best Fiance Ever!”

Those aren't our words, though we wish they were. This is Kelli Rose, and you want to talk about a great significant other. Kelli's just that. All her soon-to-be-hubby and V-man said was, “You should pose,” and now here she is, giving him the best wedding gift any man could get.

A Cleveland-girl who is a lifelong Indians and Browns fan, Kelli deserves major props just for that. When you toss in her stacked and packed body, the fact that her favorite car is a Jeep instead of a Ferrari, that she likes to masturbate while driving ("I love to give those truckers a show!"), has sex twice a day with one of our own (a *Voluptuous* subscriber for many years) and loves, in her own words, "Sucking my man's cock and watching him squirm," well, hell, with all of that on her resume, we couldn't resist granting Kelli's wish and letting her get nekkid for all to see. To be honest, Kelli had us editor-types digging her when we found out she loves baseball, changes her own oil and watches SportsCenter. With all of the other goodies, whaddya think guys? This gal look like a keeper, or what?

Now, the story with Kelli's fiance is simple. He loves *Voluptuous*. So does Kelli. They read the magazine together and watch the videos, getting so turned on in the process, they hump like bunnies for hours. When Kelli asked what he wanted as a wedding gift, he said, "I'd like to see you in *Voluptuous*." Being the great gal that she is, with a hot body, Kelli sent us pictures, and now here she is—the woman who used to describe herself as the "Best Fiance Ever" now has a new nickname... *Voluptuous-girl*.

COCO

The ultimate mature woman, part deux.

With all due respect to Alexis Love, the original "Ultimate Mature Woman," we're gonna have to give part of that title to Coco. At 48, with an ass that still defies gravity and flopper tits that, thankfully, don't, any woman who can pose with girls half her age and look just as hot is more than fine with us.

Coco first posed in the Feb. '03 *Voluptuous*, and back then we were thinking, "Man, this woman looks good for a 45-year-old." To which she said, "A 40-year-old? I look good for any age!" We couldn't argue with her. So, when she knocked on our door this past winter and asked if we wanted more pictures, we couldn't help ourselves. Two and a half years have only made Coco sexier. She's still got that mature, experienced sexual personality with the desire of an 18-year-old, and her ass is amazing. No cottage cheese. She's got a major booty. You want to talk about a natural. Coco is one of them, regardless of age.

chair, practically sitting on the girl kneeling before me. I knew this was a totally selfish way of getting off, just tit-fucking Lisa, using her big tits as I was, but this was what she wanted, and God knew I wasn't going to get a chance to see her tits until I came on them!

"Spurt it all over me," Lisa said, and I felt her hold push even tighter. I clenched and unclenched my ass muscles and rolled up.

"Lisa..." I panted.

"Make it a lot, cum a lot," she said, and I pushed.

"Lisa..." I panted. "Lisa, I'm gonna cum. I'm gonna..."

"Yes, Stu, do it, do it," she softly demanded, rolling with me, pushing her tits in and hard, tight, so very tight.

"Lisa!" I screamed as I felt myself losing control. I knew I'd be cumming in seconds.

"Come on, Stu, give me it, all of it. Cum all over me," Lisa whispered as her cleavage got even tighter around me. "I am so wet."

That was it. As if I needed anything else to cum.

I screamed something unintelligible, bucked once and pushed my hips all the way forward. I wasn't sure where all of my cum was landing, but I sure was cumming a lot. I felt a drop hit my belly, but I also felt Lisa holding to me tight, and I assumed I came all over her big, beautiful chest. I could feel my cum pumping out of me, lifting out from some place deep down and spurting for all I was worth.

"Open your eyes," Lisa said a second later, and as I did so I saw the girl under me lean back, her hands rubbing my cum across her huge bare tits!

"Damn, Stu, that...was...a lot," Lisa sighed, working my gooey milkiness into her skin.

Lisa watched as I watched her, biting her lower lip, opening her thighs even more. She had this deep look in her eyes, and I knew she was intent on watching me watch her.

My attention was fully on her now, and I wasn't going to let a second go by without staring at what I had dreamed about for so long.

Lisa had what I could now see were thick, pink nipples with round, wide areolae. Her breasts were quite a bit

lighter than the rest of her tanned body, and they had a nice fall to them, not sagging at her young age, but hanging just enough to show that these babies were indeed heavy and most definitely real. Being a fan of big tits, I especially love real ones, and Lisa's slight fullness, the way her tits didn't poke out at me or seem overly hard, made them all that more wonderful.

The thing that really made my friend's chest great though, beyond her rubbing my cum all over it, was that her breasts were almost too round! The tight circles that were her tits made Lisa's cleavage that much more impressive, and it was all I could do to stop staring dead center of her.

"I'd say you're getting an eye-full," Lisa sighed, sitting up off her haunches, arching her back and then sitting back down hard again. She was rolling her hips slightly forward, and I snuck a peak to her crotch. Though still covered, it looked hot, and I hoped she was moving it forward for me.

"I am so wet," she announced as she shifted then lifted her right tit, gave it a lick, then released and did the same to her left! When you're as lucky to be living a fantasy as I was right then you really don't want to spoil it with words.

I truly was speechless as the girl under me played and rolled.

"Can you...you know...soon?" she asked, coming forward on her knee again then sitting back down on her heels. Lisa continued this movement, rolling her pelvis, popping up and down as she kept grabbing and kneading her big breasts.

"Hell, I'm ready any time you are," I said, feeling that distinct rumbling in my balls, knowing that I would soon have my face buried between Lisa's breasts and my cock deep inside her.

Lisa stood as I did, took my hand and led me to my futon. As we stepped gingerly across the carpet of my room, I spied just the side of her big left tit. I moved up behind her and wrapped my arms around her, hugging her, not as a best friend, but as more.

She pushed back slightly into me, losing herself in my arms, her delicate fingers tracing my forearms. When she tilted her head back and kissed me deep, I knew there was no way we would make it the 20 more feet to the futon. We had waited so long to be more than best friends, and neither of us wanted to waste another second.

seductive and erotic cock sucking. He spends the rest of the time rubbing, massaging and slapping her tits while Angelica is lying on his desk.

The scene then shifts to the boss' apartment, where Angelica is giving him her own special brand of dick-tation, sucking his shaft hard and then wrapping her tits around it. Finally, Angelica climbs on his swollen shaft and starts to ride it, reverse-cowgirl style. It's not long before the boss takes over, power-fucking Angelica from beneath her as she moans with delight.

Angelica spins around to face him, and again the boss does some impressive slam-fucking while teasing her asshole with his finger. He works two fingers into her ass as he pounds her pussy about as hard as it can be done. Next, Angelica is on her side with the boss behind her, burying his stiff cock balls-deep into her sopping, bald pussy. Angelica tells the boss to fuck her hard.

When Angelica gets on her back and spreads her legs wide, you can see her boobs and belly jiggle as her boss bangs her hard. Angelica then gets on all fours, and you can see the pleasure in her face as she takes her boss' big cock from behind and begs him to fuck her. Finally, Angelica kneels down in front of him and milks his man juice all over her titties. She has a contented look on her face, even though she now has to go to work in the morning.

VERONIKA

Veronika and her man are sitting at a table. We'll have to assume they are in an apartment since her man gets up from his chair and reaches over to feel up the lusty and busty blonde.

Veronika is wearing a sexy red top, a short gray skirt and stockings. In seconds, we find out she's also wearing a lacy black bra and matching thong. Simply stated, Veronika has great tits. They're firm and big and round, everything a good pair of jugs should be.

After her friend fingers and licks her pussy, Veronika squats in front of him and gives him knee-buckling head while fingering herself. She gets a good rhythm going while jamming about half of her man's cock down her throat and stroking him with her left hand.

Next, Veronika is on all fours, her pendulous boobs swaying as she gets

long, slow strokes from her man. Clearly, she is loving every inch as she moans and gasps with every thrust.

Veronika moves into the spooning position, and the couple continues with their relaxed pace. This is when this scene gets kind of loving, making it the type of scene you can watch with your girlfriend if she doesn't mind you staring at Veronika's perfect cans.

Soon, Veronika climbs on top and gives her man a reverse cowgirl ride. The strokes are still measured and deliberate, which allows the excitement to build. After a bit of riding, Veronika is on her back with her legs spread high in the air, and her man is plunging his cock deep into her.

Holiday '04 Voluptuous first-timer Emily Anderson makes her hardcore debut on Voluptuous Xtra #10.

Now, he's finally starting to amp things up, railing into Veronika's neatly trimmed pussy with longer and deeper strokes. Both of them are breathing heavier, and you can sense that he won't last much longer. That much becomes obvious when the scene cuts to Veronika kneeling in front of him and jacking his cock off into her mouth. Her man unleashes a torrent of spunk that would be the envy of most porn stars, and Veronika takes every goopy drop all over her face and tits.

EMILY ANDERSON

Emily Anderson is in bed with her husband and shows him the jar of breast enlargement cream she has rubbed on her tits before climbing into bed. Her cynical husband tells her that the stuff will never work and rolls over to go to sleep. Oh, ye of little faith.

Of course, Emily has her pajama top buttoned to the neck, so we can't see what she's working with. Until morning, that is.

When Mr. Skeptical wakes up, he

rubs the sleep out of his eyes to see that Emily's top has come unbuttoned. That's probably because her gazongas have burst it open. She now is the proud owner of a set of major-league yabos. Before he even wakes her up, Mr. Skeptical is playing with Emily's tits and lining her up to slide his cock in between them. You know, give them a test-drive. It's like going to sleep with a Cooper Mini in the driveway and waking up to see a Hummer.

Emily wakes up and is amazed. Holy crap! She's got big tits. She immediately removes her top and lays back on the bed so that her husband can titty-fuck her new super-sized boobies. We're watching history here. It's their first tit-

fuck. Maybe it's not as significant as man walking on the moon, but this is more about her globes.

Fortunately, her man doesn't need any of that cream on his cock. He slaps his meat against her enlarged hooters and then buries it in between them and starts pumping her funner fun bags. He can't keep his hands off them, squeezing and massaging and pinching them while he pumps his stiff cock in between them, and Emily tries to wrap more of her boobs around him.

Next, Emily is on her knees giving her man a hummer. Her fuller breasts hang nicely as she deepthroats his cock, and he pumps it all the way down her throat. Then, Emily gets on all fours, and her man skewers her pussy with his man-meat. Emily screams at him to fuck her harder. She wants cock, and he'd better give it to her. Now that she has her new tits, there will be guys lining up to bone her.

Emily winds up on top, riding reverse cowgirl and licking her nipples

at the same time, something else she couldn't have done before her remarkable transformation. Emily keeps moaning for more cock like a sex-starved slut. Her man obliges, pounding away at her pussy before they switch to the spooning position.

Emily's jugs bounce around freely, and she continues to lick her nipples as she gets fucked from behind. Her man reaches around and palms both of her newly massive mammaries while stuffing her hot hole with his love muscle.

When he gets on top of her, he's ready to go. He spreads Emily wide and slams every inch of his cock into her. Emily just wants more. She keeps playing with her rack while he stuffs every inch into her. Then he resorts to pile-driving her, which makes Emily have a very loud and long orgasm.

Finally, Emily flips over and lubes up her tits so that her man can cum between them. He fucks her puppies hard, and then he drenches them with an enormous load. The first two spurts catch Emily above her lips, but the rest covers her bountiful bosom.

SAMANTHA KAY

Samantha calls the maintenance man at her apartment building because she's having problems with her pipes. No, her sink and toilet are just fine. The problem is with *her* pipes, as her lucky super quickly discovers.

By the way, it has to be pointed out that the super's name is Mr. Roper,

which is definitely amusing because it's the same name of the super from the old hit TV show *Three's Company*. Subtle humor in an adult film is so rare, so you have to appreciate it when you can.

Anyway, this super is about to knock on Samantha's door. Two should be all the company needed here.

Samantha's got a full, round ass and an enormous pair of hangers. "Forty-six double-Ds and all real," she tells Mr. Roper, who is more impressed by that than the new wrench he bought last week. Even more impressive is when Samantha starts squeezing milk out of her mams, giving Mr. Roper a taste he hasn't sampled in 40-something years.

A display of Samantha jumping up and down follows with her melons flying in every direction. Pretty soon, Samantha is squatting over Mr. Roper's face, and he's eating her pussy.

Samantha sucks on Mr. Roper's tool and then wraps her bouncy tits around it while he continues to munch on her muff. The two 69 for quite a while before Samantha climbs on Mr. Roper's tool and lets him get handy. She impales herself on his cock, like a snake going down a drain to unclog a pipe. Hey, maybe Samantha was right when she made that call.

Obviously, Samantha is enjoying Mr. Roper's handiwork. The sex noises this girl makes are not often heard in an adult video. Her shrieking is high-pitched and intense. It's extremely clear that she is enjoying the experience, even if Mr. Roper doesn't have the biggest cock in the world.

After some spooning, Samantha lies back in bed and puts one leg over Mr. Roper's shoulder. He drives every inch into her like he's working a nail gun, and Samantha continues to squeal with delight as she plays with her blue-veined knockers. Mr. Roper continues his repairs when he gets behind Samantha and starts hammering away.

At least this time you know the job has been done correctly when Mr. Roper climbs on top of Samantha to fuck her tits to climax. He winds up spraying his spunk all over her cleavage, much to Samantha's delight.

MARKETA

One thing you can't help but love about Marketa is that she loves to suck cock. While some women in the adult industry go about the task with a sense of obligation or to quiet a screaming

MICHAELA

Look what we discovered on vacation!

82 **Voluptuous**

Yes, the life of a *Voluptuous* lensman is a 24-7 job. You eat, sleep and breathe boobs. Then, because man can only ogle for so long before going blind, you go on a vacation to Slovakia to get away from it all. Of course, being one of the luckiest men in the world, when you get to your hotel's front desk, the quest begins anew when you meet a busty babe named...Michaela.

Our big-boob fantasy-turned-reality happened this past winter, when one of our London staff photographers went skiing in Slovakia's High Tatras region. It's not exactly Vail, which is why he went there. Quiet. Unpretentious. Good skiing. Decent hotels. And, as it turned out, great hotel staff. Michaela was working the front desk of his hotel, and when he was checking in, what he was really doing was checking her out, trying desperately to get a glimpse of the cleavage pushing out her blouse. When she turned to the right, he could see that wisp of white bra peeking through, and it was sticking way out there. Our lensman didn't even take his camera with him, but he still pitched her a line. Michaela accepted, Fed Ex is a beautiful thing, and two days later, here she is. Funky hair. Cute face. And a great body. Plus, Michaela loves posing. This 22 year old told us that she had always wanted to pose nude, only she didn't know where to start. Man, ya gotta love those serendipitous moments. See you next vacation, Michaela. Thanks for making this one so memorable.

BARE FACTS **MICHAELA**

BIRTHDAY: January 9, 1983 **HEIGHT:** 5'4"

director, Marketa does it with passion and intensity. She wants nothing more than to get her man ready to fuck her.

After a long and luxurious blow job, that's exactly what happens. Marketa's horny stud pumps his tube steak deep into her hot box while she straddles him. Their bodies slap together with each pulsing stroke as Marketa moans in obvious delight.

Next, she flips over on her back and slings a leg over her man's shoulder to give him easier access to her hot hole. He slams his big dick in balls deep. While he's banging away, you can see that Marketa clearly spent too much time at the beach because her chest looks kind of red from a sunburn. Apparently, she was wearing a one-piece that didn't show off too much cleavage because her tits remain a milky white.

Our man gets behind Marketa and starts hammering away in the spooning position with one hand holding up Marketa's fishnet stockinged leg. Marketa can't stop playing with her tits and nipples as she's getting this cock rammed into her pussy.

When Marketa climbs back on top, her man grabs her ass with both hands and gives her an occasional slap. It's not like the hyper-enthusiastic Marketa needs much motivation. She continues her ride with her breasts flopping into her man's face as her climax builds. For a while it looks like this guy might get smothered before he gets the job done.

Finally, our man gets Marketa on all fours and stands behind her to deliver his man meat on a silver platter. As he nears orgasm, Marketa turns around and blows the hell out of him, sucking on his rod and stroking his shaft with her hand until his cock explodes with pleasure, sending spurt after spurt of man gravy all over Marketa's chest.

It could only help her sunburn.

big, as soon as she gets his pants off.

The subject for the test is the female reproductive system. Brandy has illustrations to work from, but apparently the text is written in Japanese. That must be some college she's attending that uses WWII surplus diagrams to teach its students.

There's some good double entendre here when her tutor tells Brandy that she has to study the unlabeled diagram in the first semester of the course. The second semester is when she will have to fill in the holes. The tutor, proving he's a smart guy, then talks to Brandy about hands-on experience.

He then goes about showing her, though he starts with her breasts, which aren't exactly part of the reproductive system. Of course, as he tells her, Brandy gets an A-plus in mammary glands. Not only does she have a great pair of hooters, Brandy has even better nipples that stand at attention and are incredibly suckable. They rank among the best nips ever to appear in *V-Mag*.

Brandy acknowledges the benefits of hands-on learning while her tutor is playing with her boobs. He then explains a residual effect of that is that her pussy will get wet. Rather than slipping her panties off to show her, he just grabs the white cotton and tears it in two. That is followed by a specific labeling of the various parts of the vagina. Yes, fellas, there is much more than a hole there. The more you know, the better off you will be

The tutor then slides his pants off to give Brandy some information on the male system. It's a real stretch to imagine that any college girl doesn't know what a penis and testicles are, but try to play along at home. Brandy asks if she can touch it and pops his cock into her mouth within two seconds of asking. Somehow, you get the feeling she's seen a cock or two in her day.

Brandy works her lips about halfway down the thick shaft and seems an instant expert in fellatio. That could come in handy for extra credit. She then works on the art of tit-fucking, wrapping her enormous pillows around her tutor's cock and sliding them up and down on it.

Brandy's tutorial continues with some deep fucking and her asking to try several different positions until her tutor can no longer hang on and blows his wad all over her cans. You have to love a girl seeking knowledge. 

EDEN

Now, this is some world-class boobage!

All righty, boys, prepare to give that monkey the spankin' of his life. Eden is back. And, the way we figure, anything we say from this point forward is probably a waste of time because you're not reading. Your looking at Eden's pretty face, her watermelon tits, her dinner plate-sized areolae, and you're thinking, "Man, I'm so fuckin' glad I picked up this magazine!" Good call. Now, we're almost finished with our business, so the one or two of you journalism majors who are still reading can now get down to yours.

You guys don't know how fortunate we all are to be seeing pictures of Eden. The first time she posed, back in the July '04 *Voluptuous*, was supposed to be Eden's only time. She was posing to get money for a breast reduction. Yeah, we don't know why women do it, either, but Eden had her reasons—something to do with always being embarrassed, people making fun of her, and just wanting to be “normal.” We begged her not to, but our pleas fell on deaf ears. Eden was all ready to drop five cup sizes when she read some *Voluptuous* readers' letters we sent her. You see, she figured we had our own self-interest in mind telling her not to lose her boobs. And to be honest, we did. We love seeing her huge tits, and we're not afraid to say it. But, when Eden read comments from men thousands of miles away in six different countries praising her breasts, her self-esteem meter started ticking north. Now, Eden's still an E-cupper and determined to stay that way. She may not pose forever, but at least her boobs will always be there, thanks to all of you.

SAMANTHA KAY

One look at her lusty face and you know this April '05 *Voluptuous* cover-girl lives for big, hard cock!

Drop your socks and grab your cocks, V-men, it's that time of the month. The Horniest Show On Earth is in the house, and our first *Voluptuous Xtra*-girl sucking on man-tool is April '05 *Voluptuous* debutante and covergirl Samantha Kay. A swinger for five years, when Samantha gets the urge for cock, there's no stopping her. So, when our pro pistolero's high, hard one came out and we saw that lusty look in Samantha's eyes, we knew the sex was going to be good. Of course, we were wrong. The sucking and fucking wasn't good. It was *great!*

These are actually shots from the new *Voluptuous Xtra #10*, which has an all-star line-up (Angelica Raven, Brandy Talore, Marketa and Veronika), and being in the company of greatness inspired Samantha for her XXX debut. "I'm pretty horny to begin with. In fact, I'm always horny!" Samantha told us. "But, you know how girls are. We never want to be second best. So, when it came time to do hardcore, I was on a mission. I wanted to not only have the best sex of my life, but to really put on a show so that anybody watching will say, 'Wow! That Samantha Kay is a great fuck!' The first part was a piece of cake. I came so much, my pussy is still tingling. As for the second part, you tell me. Have you cum yet?" Oh yeah, we've got major lift-off, Samantha. Mission accomplished.

VERONIKA

**A mouth full of hard cock
& a face full of gooey jizz!**

Talk about banging your way to the top. A year ago, Veronika was an unknown Czech-mate whose relative obscurity was matched only by her killer body. In less than a year, she's been fucked senseless on *Busty Euro Maids* and done a big-cock threesome (with Linsey Dawn McKenzie) on *Maximum Insertion*. Now, Veronika's a big-time, big-tit porno star who could easily rest on her laurels during her sophomore year. Nah. Not this girl. She's a *fucking* animal. And she screws like a wild one.

Like Samantha Kay's bang-a-thon a few pages back, these are outtakes from the new hardcore video *Voluptuous Xtra #10*. And we have to be completely honest with you guys. We love to watch Veronika fuck. Not only is her body so *Voluptuously* perfect, but there's something about those Eastern Euro girls and guys when it comes to sex on camera. The cocks are rock-hard. The girls are way-horny. And the sex is fucking outstanding. That's probably why, whenever Veronika calls and says, "I want to do hardcore again," we always say, "Go for it." You can never get enough of a great gal like Veronika. And when you can get her worshipping cock, if you like busty babes gone wild, life just doesn't get any better than that.
